PROFILE

Web designer & developer with almost **5 years of experience**, specialised in hospitality, nightlife and lifestyle brands. Currently at RIN — Morocco's largest nightlife & hospitality group (15+ venues) — after three years in a 360° agency. I design, build and **keep websites running**: hosting, security, maintenance and integrations included, with 100+ projects delivered across Morocco, France, Belgium and the UAE.

EXPERIENCE

Web Designer & Developer — RIN

Jul 2024 — Present

- In-house at **Morocco's largest nightlife & hospitality group** (15+ establishments): 555 Marrakech & Tanger, Sky Five Marrakech & Tanger, Nommos Marrakech & Tanger, Secret Room...
- Own the group's digital presence end to end: **websites, booking systems, digital menus** and guest-experience apps.
- Produce brand & print assets for venues and events: flyers, press kits, menus.

Web Designer & Developer — Impact Agency 360

Nov 2021 — Jun 2024

- Designed and built **client websites** across hospitality, real estate, sport and retail (WordPress, Avada, Elementor, custom HTML/CSS/JS).
- Handled the full cycle: design, development, hosting, migration and maintenance.

Freelance Projects — occasional

Since 2021

- Selected independent projects for clients in Morocco and abroad (France, Belgium).

SERVICES & EXPERTISE

Hosting & Domains

Hosting setup, DNS configuration, site migrations
